

BCEHS License Level Scope of Practice Quick Reference Guide

EMR:

Skills: IV/IO capped and secured*
IV Running TKVO (NS, RL and Plasmalyte ONLY)
Physically restrained prior to departure (ONLY with Clinical/EPOS consult)
Chemically restrained prior to departure (ONLY with Clinical/EPOS consult)
Narcotics prior to IFT
EMRs are not licensed to perform IV initiation

Approved Medications and Routes of Administration

Analgesia: PO Acetaminophen, PO Ibuprofen, Entonox
Anti-anginal: SL nitroglycerine spray
Anti-hypoglycemic: IN glucagon or BUC dextrose
Anti-platelet: PO ASA
Bronchodilator: MDI/NEB Salbutamol
Opioid antagonist: IM/IN naloxone
Sympathomimetic: IM epinephrine

PCP ALL skills/medications as per EMR AND:

Skills: CPAP
IV Initiation (>12 years of age)
Managing IV Fluid Infusions*
IO Running*
ECG Monitoring
12 LEAD ECG Acquisition
**ONLY medications within operational scope of license level (see below)*

Approved Medications and Routes of Administration

Analgesia: IM/IV Ketorolac, IV Acetaminophen
Anti-emetic: IM/IV Dimenhydrinate, IV/PO Ondansetron
Anti-hypoglycemic: D10W
Corticosteroids: IM/IO/IV/PO Dexamethasone, IM/IV Hydrocortisone
Procoagulant: IV TXA
Isotonic Crystalloid Solutions: NS/LR
Bronchodilator: MDI/NEB Ipratropium
Sympathomimetic: IM/NEB Epinephrine

ACP ALL skills/medications as per PCP AND:

Skills: ECG & 12 LEAD Interpretation
Powered infusion pumps
Intubation
IO insertion

Approved Medications and Routes of Administration

Alkalizer: IO/IV Sodium Bicarbonate
Histamine antagonist: IM/IV Diphenhydramine
Anti-arrhythmic: IO/IV Adenosine, IO/IV Amiodarone, IO/IV Atropine, IO/IV Lidocaine, IO/IV Magnesium Sulfate
Opioid analgesics: IM/IO/IV/SC Fentanyl & Morphine
Platelet Inhibitor: PO Clopidogrel**
Sedative: IM/IO/IV Ketamine, IM/IO/IV Midazolam
Anti-coagulant: IV/SC Enoxaparin**
Sympathomimetic: IO Epinephrine, IV Phenylephrine
Anti-convulsant: IO/IV Magnesium Sulfate, IM/IO/IV Midazolam
Thrombolytic: IV Tenecteplase**
Electrolyte: IO/IV Calcium Chloride
****ONLY within select communities**

Critical Care Transport as required
